

Welcome

We welcome and encourage community use of City meeting rooms by Prior Lake citizens in accordance with the guidelines in this use agreement.

Purpose

The primary purpose of Prior Lake City buildings is to facilitate the conduct of local government business. Accordingly, City business will have first priority for the use of the rooms in City buildings.

The second priority for use of the public rooms is use by Prior Lake residents and non-profit organizations based in Prior Lake to conduct meetings not related to selling products or services.

A third priority is use of the public rooms by for-profit groups, businesses and corporations paying taxes in Prior Lake to conduct meetings not related to selling products or services.

In addition, the Fire Station No. 1 training room can be reserved for Spring Lake or Credit River Township government business purposes not more than 30 days prior to the event.

If you or your organization are in one of these categories, you are eligible to use City buildings in accordance with these guidelines.

If you or your group do not meet the above guidelines, you are welcome to rent Club Prior or Lakefront Park Pavilion through the Recreation Department, subject to availability.
