**RE: OPEN HOUSE INFORMATIONAL MEETING NOTICE  
MANITOU ROAD, PROJECT #TRN16-000001**

Dear Property Owner:

An Open House regarding proposed improvements for the Manitou Road Project is scheduled for:

***Wednesday, February 17, 2016  
5:30-7:00 pm  
Council Chambers, City Hall  
4646 Dakota Street S.E***

Information will be shared regarding the proposed street design, storm sewer and utility improvements as well as the various programs offered as a part of the reconstruction project. There will not be a formal presentation for this meeting so feel free to arrive at any time between 5:30 – 7:00 p.m. to discuss the project and how it affects your property. Representatives from the City of Prior Lake Engineering Department will be available to answer your questions at this meeting. This Informational Meeting is intended to provide a better understanding of how the proposed design impacts your property.

If you have questions concerning the project and cannot attend the informational meeting, please call me at (952) 447-9834 to set up an individual appointment to discuss the project.

Sincerely,

Seng Thongvanh, P.E.  
Project Engineer  
CITY OF PRIOR LAKE

Cc: Frank Boyles, City Manager  
Larry Poppler, City Engineer/Inspections Director
