

City of Prior Lake: WSUM Task Force Studies & Information References List

Ailstock, M. Stephen, Hornor, Sally G., Norman, C. Michael, and Davids, Eileen M. 2002. Resuspension of Sediments by Watercraft Operated in Shallow Water Habitats of Anne Arundel County, Maryland. *Journal of Coastal Research*. Special Issue No. 37: 18-32. (Ailstock et al. 2002)

Asplund, Tim. 1997. Investigations of Motor Boat Impacts on Wisconsin's Lakes [report]. Monona (WI): Wisconsin Department of Natural Resources, Bureau of Integrated Science Services. (Asplund 1997)

Asplund, Timothy R. 2000. The Effects of Motorized Watercraft on Aquatic Ecosystems. Madison (WI): Wisconsin Department of Natural Resources, Bureau of Integrated Science Services. (Asplund 2000)

Australian Maritime College. 2009. Investigation into the Effect of Wash of Boats and Wind Waves on the Swan River [project report]. Newham, TAS, Australia. (AMC 2009)

Bhowmik, Nani G. 1976. Development of Criteria for Shore Protection Against Wind-Generated Waves for Lakes and Ponds in Illinois [research report]. Urbana (IL): University of Illinois at Urbana-Champaign, Water Resources Center. (Bhowmik 1976)

Duke Energy Carolinas, LLC. 2013. Keowee-Toxaway Hydroelectric Project FERC Project No. 2503 Initial Study Report, Volume IV of IX, Appendix C – Shoreline Erosion Study Report [project report]. Charlotte (NC): Duke Energy Carolinas, LLC. (Duke Energy Carolinas, LLC 2013)

Glamore, W.C. 2008. A Decision Support Tool for Assessing the Impact of Boat Wake Waves on Inland Waterways. *Bulletin – International Navigation Association* 133:5-18. (Glamore 2008)

Hoverson, Darrin and McGinley, Paul. 2007. Waves, Wind, Watercraft, and Water Clarity; A Study of Sediment Resuspension in Clark Lake [project report]. Stevens Point (WI): University of Wisconsin – Stevens Point, Center for Watershed Science and Education. (Hoverson and McGinley, 2007)

James, William F., Barko, John W., and Butler, Malcolm G. 2001. Shear Stress and Sediment Resuspension in Canopy- and Meadow-Forming Submersed Macrophyte Communities [technical note]. Vicksburg (MS): United States Army Engineer Research and Development Center. (James et al. 2001)

Johnson, Scot. 1994. Recreational Boating Impact Investigations, Upper Mississippi River System, Pool 4, Red Wing, Minnesota [project report]. Lake City (MN): Minnesota Department of Natural Resources, Division of Waters. (Johnson 1994)

Maynard, Stephen T., Biedenharn, David S., Fischenich, Craig J., and Zufelt, Jon E. 2008. Boat-Wave-Induced Bank Erosion on the Kenai River, Alaska. Washington (DC): United States Army Corps of Engineers, Engineer Research and Development Center. (Maynard et al. 2008)

Minnesota Department of Natural Resources. 2004. Shoreline and Water Quality Impacts from Recreational Boating on the Mississippi River [project report]. St. Paul, MN. (MN DNR 2004)

Nedohin, David N. and Elefsiniotis, P. 1996. The Effects of Motor Boats on Water Quality in Shallow Lakes. *Toxicological and Environmental Chemistry* 61:127-133. (Nedohin and Elefsiniotis 1996)

Smith, Jane M. 1991. Wind-Wave Generation on Restricted Fetches [report]. Vicksburg (MS): United States Department of the Army, Corps of Engineers, Waterways Experiment Station, Coastal Engineering Research Center. (Smith 1991)

Tan, Sam Wei Shen. 2012. Predicting Boat-Generated Wave Height: A Quantitative Analysis through Video Observations of Vessel Wakes [Trident scholar project report]. Annapolis (MD): United States Naval Academy. (Tan 2012)

Tetra Tech, Inc. 2012. Devils Lake Shoreline Erosion Study [project report]. Portland (OR): Tetra Tech, Inc. (Tetra Tech, Inc. 2012)

United States Army Corps of Engineers. 1954. Generation of Wind Waves Over a Shallow Bottom (Technical Memorandum No. 51, Beach Erosion Board). Dayton (OH): Document Service Center. (US Army Corps of Engineers 1954)

United States Environmental Protection Agency. 1974. Assessing Effects on Water Quality by Boating Activity. Cincinnati (OH): National Environmental Research Center, Office of Research and Development. (US EPA 1974)

Zabawa, Chris and Ostrom, Chris. 1980. Final Report on the Role of Boat Wakes in Shore Erosion in Anne Arundel County, Maryland [project report]. Annapolis (MD): Maryland Department of Natural Resources, Tidewater Administration. (Zabawa and Ostrom 1980)
