Neighborhood Ice Rinks Closed for Season, Lakefront Rinks to Remain Open

December 5, 2015

Neighborhood Rinks will not be flooded due to equipment breakdown

Flooding of City of Prior Lake Pleasure Rinks has been suspended for the 2015-2016 winter season due to a water truck becoming unsafe to operate. The truck is scheduled to be replaced in 2016 and repair would not be cost effective. The Pleasure Rink and Hockey Rinks in Lakefront Park will be maintained once temperatures can sustain ice. You can call the Recreation Weather Hotline for updates 952-447-9825.

Council and staff would like to take this opportunity to get your feedback on how the neighborhood pleasure rinks have been used and if the City can serve the public better in the future. One option being considered by the council is to maintain less rinks but possibly have more amenities. This may include lighting, boards or warming houses. Please consider filling out a short survey on the City's website to provide us your input: www.cityofpriorlake.com
